FOR IMMEDIATE RELEASE

SOUTHBOUND HIGHWAY 1 REPAVING OF TRENCH PATCHES AT TWO LOCATIONS IN SAN LUIS OBISPO BEGINS TUESDAY

SAN LUIS OBISPO- A two-day permit project to repave four trench patches damaged by a waterline break at two locations on southbound Hwy. 1 in San Luis Obispo will begin on Tuesday, August 12, Caltrans officials have announced.

The locations and scheduled work are as follows:

- Southbound Hwy. 101 at California—Offramp closed Tuesday, August 12 from 9 am to 3 pm
- Southbound Hwy. 1 (Santa Rosa St.) at Foothill Blvd. with alternating turn lane closures on Tuesday, August 12 and Wednesday, August 13 from 9 am to 3 pm. One turn lane will remain open.

The first location has one trench patch to repave, while the second location has three trench patches that need repaving. Delays are not expected to exceed 5 minutes and work should be complete on Wednesday, August 13.

The contractor for this permit project is D-Kal Engineering of San Luis Obispo.

Caltrans reminds motorists to move over and slow down when driving through highway construction zones.

For traffic updates on other state highways in San Luis Obispo County, motorists can call Caltrans District 5 Public Affairs at 805-549-3318 or can visit the District 5 website at: http://www.dot.ca.gov/dist05/road_information.htm
